

PANTHER SUPER MOTOR OIL 20W50

PRODUCT DESCRIPTION

Best quality base oils are used in the formulation of **Panther Super Motor Oil 20W50** and the additive package, from international suppliers, has been carefully selected. The product gives engine protection in moderate operating conditions, with resistance to formulation of engine varnish and sludge. **Panther Super Motor Oil 20W50** also offers protection against wear, corrosion, rust and foaming, and is useful where oil consumption is a problem. **Panther Super Motor Oil 20W50** meets API Service Classification SF/CC and is recommended for use in older higher mileage cars. It is not suitable for modern turbocharged vehicles.

APPLICATION

Panther Super Motor Oil 20W50 is formulated for use in general lubricating situations and recommended for older cars, to give reasonable protection in moderate conditions. Manufacturer's recommendations for applications should be followed.

PERFORMANCE STANDARDS

Meets API- SF/CC

BENEFITS

- Reduces wear & inhibits varnish and sludge
- Good protection against rust & corrosion
- Minimizes foaming
- Good general engine protection
- Assists in reducing oil consumption

TYPICAL PROPERTIES

TEST	TYPICAL RESULTS
SAE Viscosity Grade	20W50
API Service Classification	SF/CC
Flash Point, °C	215
Pour Point, °C	-9
Viscosity:	
@ 40 °C, cSt	135
@ 100 °C, cSt	17.8
Viscosity Index	120
Product Code	PAN 201003
